MySQL

Python, Selenium

PROJECTS

- **United Parcel Service**
United Parcel Service, Inc. (UPS) is an American multinational shipping & receiving and supply chain management company founded in 1907. Originally known as the American Messenger Company specializing in telegraphs, UPS has grown to become a Fortune 500 company and one of the world's largest shipping couriers.
- **United States Automobile Association**
The United Services Automobile Association (USAA) is an American financial services company providing insurance and banking products exclusively to members of the

military, veterans, and their families. It was founded in 1922 in San Antonio, Texas, by a group of 25 U.S. Army officers as a mechanism for mutual self-insurance when they were unable to secure auto insurance because of the perception that they, as military officers, were a high-risk group.

ACHIEVEMENTS & AWARDS

- Developed a new Status Window (responsive web page) for Reports web page with pagination, sorting and filtering, which helps to view, submit and download reports. Got appreciations from leads and clients.
- Developed a web page which takes inputs to issue a policy for auto insurance automatically and gives the policy number. Projected to MSI clients and got appreciated by clients.

LANGUAGES

- English, Telugu
